Item 7.01. Regulation FD Disclosure.

On September 19, 2023, Stran & Company, Inc. (the "Company") issued a press release announcing the appointment of David Leuci as the Company's Chief Information Officer. A copy of the press release is furnished as Exhibit 99.1 to this report.

The information furnished pursuant to this Item 7.01 (including Exhibit 99.1 hereto), shall not be deemed "filed" for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing under the Exchange Act or the Securities Act, except as expressly set forth by specific reference in such a filing.

Forward-Looking Statements

The press release and the statements contained therein include "forward-looking" statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act, which statements involve substantial risks and uncertainties. Forward-looking statements generally relate to future events or the Company's future financial or operating performance. In some cases, you can identify these statements because they contain words such as "may," "will," "believes," "expects," "anticipates," "estimates," "projects," "intends," "should," "seeks," "future," "continue," "plan," "target," "predict," "potential," or the negative of such terms, or other comparable terminology that concern the Company's expectations, strategy, plans, or intentions. Forward-looking statements relating to expectations about future results or events are based upon information available to the Company as of today's date and are not guarantees of the future performance of the Company, and actual results may vary materially from the results and expectations discussed. Forward-looking statements include, but are not limited to, the Company's expectations regarding its financial position and operating performance, its expectations regarding its technology strategy, its business initiatives, its operating performance, trends in its business, the effectiveness of its growth strategy, its market opportunity, and demand for its products and services in general. The Company's expectations and beliefs regarding these matters may not materialize, and actual results in future periods are subject to risks and uncertainties that could cause actual results to differ materially from those projected, including risks and uncertainties described in the Company's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, and other filings with the Securities and Exchange Commission. All subsequent written and oral forward-looking statements concerning the Company or other matters and attributable to the Company or any person acting on its

behalf are expressly qualified in their entirety by the cautionary statements above. The Company does not undertake any obligation to publicly update any of these forward-looking statements to reflect events or circumstances that may arise after the date hereof, except as required by law.

**Stran & Company Appoints Experienced Information Technology Strategist,
David Leuci, as Chief Information Officer**

Quincy, MA / September 19, 2023 / Stran & Company, Inc. (“Stran” or the “Company”) (NASDAQ: SWAG) (NASDAQ: SWAGW), a leading outsourced marketing solutions provider that leverages its promotional products and loyalty incentive expertise, today announced that it has appointed David Leuci, an experienced information technology (IT) executive, as Chief Information Officer. Mr. Leuci will play a key role in enhancing Stran’s overall technology strategy, execution and leadership.

Andy Shape, Chief Executive Officer of Stran, commented, “We are excited to have David join our executive team. Given his extensive experience in the implementation of technology differentiators, both internal and customer-facing, we believe David will add significant value to our team. Stran is actively working to fully implement NetSuite into our operations along with other e-commerce initiatives using Adobe’s e-commerce platform, Magento Open Source. David brings the first-hand experience and a deep skillset utilizing both of these platforms that will allow us to maximize our technology investments and improve the overall efficiency of our business. Additionally, David supported the growth of his previous company from \$20 million to over \$400 million in annual revenue by implementing NetSuite and other innovative technologies.”

Mr. Leuci brings over 25 years of IT leadership experience within the software, e-commerce, consumer goods, asset management, fitness and healthcare industries. Most recently, Mr. Leuci served as Chief Digital Information Officer at The Energy Federation Inc., an industry leader in delivering energy efficiency solutions. Within this role, he led the company’s digital transformation efforts by building and executing internal technology strategies focused on innovation. Prior to The Energy Federation, Mr. Leuci was Senior Vice President and Chief Information Officer/Chief Technology Officer at Unidine Corporation, a food and dining management services company serving senior living facilities, community hospitals, behavioral health clients and corporate clients across the United States. During his time at Unidine, Mr. Leuci delivered an IT strategy that supported Unidine’s global growth vision. Specifically, Mr. Leuci developed and executed global business system strategies, introduced process frameworks, consolidated transactional systems, supported innovation, drove digitalization and allocated resources to meet evolving business challenges.

Mr. Leuci has also held management and director-level positions at IBM, Millennium Partners Sports Club Management LLC, and MRO Software Inc. Within these past executive roles, Mr. Leuci was responsible for executing strategic technology initiatives to improve operational efficiency, effect cost savings and increase market competitiveness. By integrating technology investments and resources into their operations, Mr. Leuci engineered productivity and profit-maximizing initiatives for industry-leading companies. Mr. Leuci holds a bachelor’s degree from Salem State University.

About Stran

Over the past 27 years, Stran has grown to become a leader in the promotional products industry, specializing in complex marketing programs to help recognize the value of promotional products, branded merchandise, and loyalty incentive programs as a tool to drive awareness, build brands and impact sales.
